**MARK 11:24**

I connect with my Angels of Gratitude & abundance and with my Core-power by acknowledging and praising their presence, love, support & protection in my life.

I'm so thankful that I've been given a chance to consciously connect with all of you and the love you share with me.

This loving connection is radiating from me into everything I do & everything I touch. It is radiated to whosoever I meet today so that they too can connect with you in all your glory. Let this blessing come back to me multiplied, so that I can continue to feel this connection and be grateful for it, for your love is limitless & endless.

I pray to you to make me consciously aware of this connection in my waking as well as sleeping hours by sharing your miracles with me. Let me remember that you illuminate my life, my path & bring your loving heaven to me.

You hold me and treat me safe, guiding me towards the right situation & people. You make me see and know clearly, you keep attracting the right blessings for me.

You help me move beyond my limitations with the speed of light casting your loving gaze on me at all times. You fill me up with courage & patience, your blessings unfolding in the most pleasant way.

Doubts are a thing of the past, not affecting my present or my future. Thank you for helping me chose joy, happiness and as I trust in your presence in me, I AM reaching that abundant - vibration, forever.

My Infinite Source & my Angels of pure love, you're delivering everything in perfect time. You have helped me realize that I'm perfect, whole & complete, that I'm your Divine Light, without any fear holding me back.

Fear is in the past because I know with you, I'm beyond limitations. It doesn't have the power to keep me bounded & in check from my divine destiny.

I say good-bye to the fears as they have served their purpose and I can clearly see their ruse now.

I AM exercising the power given by you, as you are lightening my path to my divine destiny, uprooting all my fears from my life, giving me purpose and strength every moment.

Thank you,  
Thank you,  
Thank you,

Amen.

My Divine Presence, my inner-power I thank you for your generous blessings. As I work with you every day, I AM realizing my own mini-demons taking greater space in me, because I focused on my "not-being-enough" story.

You're also telling me that I feared success so my shadow-self was able to mask that as protection. But today you have freed me and help me release my shadows into the transforming light. As I let go off all self-sabotaging beliefs and systems, my Guardian Angels carry away all of them & showers me with life-affirming blessings.

I thank you, again & again for helping me in every way and showing me the truth of my own shadow & releasing it.

You're unlimited & wise, please purify my Heart and align it to my God-power & life-purpose.

I AM new, I AM at peace, I AM happy.

Thank you,  
Thank you,  
Thank you,

Amen.

Today I choose Love.  
Today I choose peace.  
Today I choose YOU.

When I am in your state, nothing can touch me, I AM flying high. My energy is protected by you & what others think & do, doesn't trigger me. I bless them all who trespass against me but they do so in vain as you all are my savior.

There is no anger as I chose love, peace, as I chose you. Anger is the expression of my weakness and I know how strong I AM. I know & I see every day the blessings, magic & abundant bounty you bestow on me.

I see the beauty you all have made me; the true one, inside-out. I feel & see magic and blessings all around, so I know not the anger that makes us vulnerable to our-self, that makes us violent and do unspeakable things to our systems and energy.

I am out of that zone forever & cradled in my well-being, beauty & bounties.

I AM forever thankful.

So thankful.

Thank you,  
Thank you,  
Thank you,

Amen.

I AM so thankful for this amazing day. I know my heart is opening wide every day to receive your blessings & as you move me past the limits of time. You are limitless & that's the power you're sharing with me.

I don't need to wait any longer to let go, forgive & move on. I release the past memories, people, circumstances, and any negative, hurt, sadness, or pain associated with them, right now!!!

In your name, I exercise the power of forgiveness, to forgive all betrayals and deception. I now let go of all feelings of hate, animosity, anger from these past situations.

Every day, I remember my divine destiny of beauty, happiness, abundance, success, and miracles of your support, love & assistance. I have a purified heart and I know that my future is incredibly bright starting with the "Now".

You've been tailoring it with infinite abundance and feeling the joy that comes from it. I now chose to express freely my love & joy, my happiness & abundance.

I AM so thankful for releasing the abundant vibrations of Angelic force in my life.

with love & blessings.
